As people attending the AGM heard, Wendy is changing her working hours - partly because of increased work at the Library, and partly because of changes in her personal circumstances. We are thrilled that she will continue to be responsible for Messy Church, she will also be preparing material for the children to do while participating in Sunday morning services, and be a major contributor to the monthly intergenerational services on the 2nd Sunday of the month.

This means our search for a youth worker is expanded, if this sounds like you or someone you know, please get in touch!

10AM SERVICE CHANGES

With the changes to Wendy's role there will be some changes to the 10am Family Communion Services - you may have noticed some of these already!

The children will be participating more in the service, and most weeks they will remain in the auditorium throughout the service and thereby gain a greater understanding of church as they mature. You may have noticed that the children's area in the auditorium has grown to provide more space so they can more easily work on the crafts and activities provided for them. These are prepared based on the bible readings for the week so that the content is relevant to what they are listening to with the adults, and allow for engagement of more modes of learning in the service.

The interactive prayers that have been introduced are designed to encourage active participation in our intercessions for all ages and application to our lives throughout the week. On the 2nd Sunday of the month we will be changing the format of the service a little to foster interconnection between all those present from the oldest to the youngest and everyone in between, and thus growing our sense of community. Once a month on the 3rd Sunday, the children will go to their own classes where they will journey through the Bible together.

Communion will continue to be celebrated every week.

St Stephen's Whangaparaoa is seeking a
**CHILD, YOUTH AND FAMILIES
MINISTER**

20 - 40 hours/ week, can be flexible to suit the right applicant or job share could be considered. We already have programmes in place for children up to 12 years, and have scope to grow youth ministry beginning with our 11 and 12 year olds and expanding from there.

If you have a passion to nurture children, young people and their families in their faith journey we would love to meet you and discuss your particular strengths and ideas that you would bring to the role.
